CloudSuite Industrial (SyteLine)

Human Resources

U.S. companies only

Because employees can be a company's most valuable asset, Infor CloudSuite Industrial Human Resources (HR) provides a full range of tools to help you track all aspects of human capital. CloudSuite industrial HR maintains vital data about applicants and employees and provides numerous standardized reports. The flexibility of HR allows you to track as much or as little information as you require.

Because of its dynamic interaction with CloudSuite Industrial Payroll, sharing data between the two modules eliminates the need for repetitive data entry, and ensures consistency and accuracy.

- Record and track applicant information, interview notes, and results.
- "Hire" an applicant to automatically create an employee record.
- Record and track employee performance, education, salary, attendance, seniority, and grievances.
- Mask Social Security Numbers available.
- Report and track accidents and Workers' Compensation claims.
- Track recruiting programs such as application sources, want ad usage and want ads.
- Manage benefits.
- Bar-code employee badges.
- Maintain regulatory requirements (I-9 Documents, EEO Classes, Ethnic ID, Employment Eligibility).
- Support Rehire of Employee and Adjusted Data of Hire.
- Help manage processes such as Onboarding and Offboarding with Process Manager.
- Supports reporting of employee injuries for Worker's Compensation.
- Employee 360 - Manage employees from a single form.
- Include marital status (married, single, head of household).

The screenshot shows the 'Employee 360' form for David I. Daniels, a Painter. The form is organized into several sections:

- Personal:** Profile section containing Employee ID (1), SSN (XXX-XX-5371), Nickname (Danny), Job Title (Painter), Department (200), Status (FT), Shift (1), and Employee Category (RFT - Regular, Full Time).
- Contact Information:** Fields for Last Name (Daniels), First Name (David), MI (I), and Suffix.
- Address:** Fields for Address [1] (63 N Vernon St), Address [2], Address [3], and Address [4].

A sidebar on the left lists various categories: Personal, Growth & Training, Awards, Certificates, Education, Exams, Skills, Training Courses, Work Experience, Work, Pay, Benefits, and PTO. A 'Create New Employee' button is visible in the top right corner.

HR maintains vital data about applicants and employees and provides numerous standardized reports.
